# TELEPHONE CALL INSTRUCTIONS

## INTERNAL CALLS

Dial any WH Complex number with the last 5 digits of the seven digit number. This includes WHCA trip sites.

For example, to dial "395-7323", dial "5-7323".

If you are in doubt about the correct 5 digits, check this directory. The correct 5 digits are in **BOLD** typeface.

## LOCAL AREA CALLS

Dial 9 + 7 digit number for Washington, DC only.

Dial 9 + area code and telephone number for Virginia and Maryland.

## LONG DISTANCE CALLS (including FTS2000 service)

Dial 9 + 1 + area code and telephone number.

## INTERNATIONAL CALLS

Dial 9 + 011 country code and telephone number.

## ASSISTANCE CALLS

Dial 0 for the White House Operator.

Dial 7-5000 for the WHCA Signal Operator.

## TELEPHONE INFORMATION

Dial 9 + 411 for local telephone information.

Please consult your local phone directory when possible.

# LONG DISTANCE SERVICE

The Federal Telecommunications System (FTS) has been designed to be used for all **official** long distance calls in the fifty states. Executive Office of the President employees should dial all long distance calls direct. To report any difficulties regarding long distance calls, dial 6-9611.

*To call out-of-town government telephones dial: 9 + 1 area code and 7-digit FTS number.*

*To call out-of-town nongovernment telephones dial: 9 + 1 area code and telephone number.*

To obtain telephone number information for any out-of-town government number, call the White House Operator at 0 or the WHCA Signal Operator at 7-5000.

For any out-of-town nongovernment number, dial 9 + 1, area code of the city concerned and 555-1212. Request the number desired; when the information is obtained, break connection, record the number for future reference.

## Personal Long Distance Calls

If a personal long distance call must be made from a government telephone, dial 9 and then the operator, and ask that the call be charged to your home number. *Personal calls should not be charged to the Executive Office of the President.*

## TELEPHONE FEATURE DESCRIPTIONS

Following are brief descriptions of the features of the EOP telephones, including what each one does and how you might want to use it. Features are referenced to their page numbers in the User's Manual for the 8510T Voice Terminal. Please call the Telephone Service Office (TSO) at x6-6400 for a copy of the user's manual.

### **Call Features:**

#### ***Call Park/Answer Back***

Allows users to put a call, single party or conference, on hold and then retrieve the call from any other voice terminal within the system.

To park a call:

1. Press **Transfer** or **Conference**.
2. Press **[\*] [6]**.
3. Press **Transfer** or **Conference**.
4. The call is now parked on the user's extension number.

To pickup a parked call:

1. Press **[#] [6]**.
2. Dial the extension number where the call is parked.

#### ***Conference (pg. 11)***

Allows you to add an additional party to a call so that you can conduct a conversation with more than one party. Use to set up time-saving conferences, or to spontaneously include a party important to a discussion.

To conference or add another party to a call (for a total of up to six parties):

1. While off-hook on a call, press **Conf**.
2. Dial number of new party and wait for answer.
3. Press **Conf** again.
4. Repeat steps 1-3 for additional conference connections.

To add a call you've put on hold to another call you're connected to:

1. Press **Conf**.
2. You are given a new call appearance.
3. Press call appearance button of held call (first call).
4. Press **Conf** again.

To drop the last party added to a conference call:

1. Press **Drop**.

#### ***Call Forward***

Forward a call from your telephone number to another telephone number.

To forward a call:

1. Press **[\*] [2]**.
2. Dial the 5 digit telephone number to activate.
3. Press **[#] [2]** to deactivate.

#### ***Transfer (pg. 16)***

Transfers a call from your voice terminal to another extension. Use when your caller needs to speak further with someone else.

To transfer present call to another extension or outside number:

1. Press **Transfer**.
2. Dial number to which call is to be transferred.
3. Press **Transfer** again.
4. Hang up.

### ***Transfer To Voice Mail***

Used to transfer a call you have received to someone else's mailbox:

To transfer someone else's call that you have received through coverage or call pickup back to their voice mailbox:

1. Press **Transfer**.
2. Dial the following extension numbers associated with the Audix system that the individual user is in:

<b>AUDIX 1</b>	x2-6901	(Users in the White House and some OEOB)
<b>AUDIX 2</b>	x2-7902	(Users in the OEOB)
<b>AUDIX 3</b>	x2-7903	(Users in the OEOB)
<b>AUDIX 4</b>	x2-8904	(Users in the NEOB)

3. Dial the individuals extension number then [#].
4. Press **Transfer**.

**NOTE:** Call the Telephone Service Office at x6-9611 to confirm your Audix system number.

## Telephone Features:

### **Call Log** (pg. 35)

The Call Log is initially set to list only the ten most recent unanswered incoming calls. Another option allows you to access the ten most recent answered calls, and the ten most recent outgoing calls placed from your terminal. Use to check on calls you missed (unanswered calls) and to remind yourself of calls you answered or placed most recently.

To view the 10 most recent unanswered calls (with Call Log set to "Unanswered Only"):

1. Press **Menu**.
2. Press the softkey below **CallLog**.
3. Press the softkey below **New or Old** according to the unanswered calls you want to view at this time.

### **Clock** (pg. 21)

For setting the date and time on your voice terminal display.

To set the clock:

1. Press **Menu**.
2. Press the softkey below **Option**.
3. Press the softkey below **Clock**. The display is in the form of:  
MMM DD, YYYY HH:MM AM or PM  
MMM = Month, DD = Day, YYYY = Year, HH = Hour, MM = Minutes
4. Use the softkeys below the + and - to scroll between choices in the selection. The selection you are on will flash, use the **Next** key to move between selections.
5. When the correct date appears on the display, press **Done** to exit.

### **Contrast** (pg. 54)

Change the contrast level of your display so that the letters or numbers are darker or lighter against the background of the screen.

To change the contrast:

1. Press **Menu**.
2. Press the softkey below **Option**.
3. Press **Next>**.
4. Press the softkey below - to make the contrast lighter.  
Press the softkey below + to make the contrast darker.
5. Press **Done** when you are finished.

### **Directory** (pg. 25)

Used to create and edit a personal directory of up to 30 extensions (directory on 8520 holds up to 144 extensions) or outside numbers and the names of the associated parties. Use the **Dir** button to quickly dial a call. Use as a place to store numbers you frequently call.

Adding entries to the directory (up to 30):

1. Press **Menu**.
2. Press the **Softkey** below **Directory**.
3. Press the **Softkey** below **Add/Delete**.
4. Press the **Softkey** below **Add**.
5. Enter the complete telephone number (up to 24 digits).

6. Press the **Softkey** below Done.
7. Use the dial pad to center a name up to 5 characters.

**NOTE:** If you press [2] once, the letter "A" will appear. Press [2] twice to enter "B", or three times to enter "C".

8. Press **Next>** to go to the next character.
9. Press the **Softkey** below Done when the name is correct.

Placing a call from your Directory:

1. Press **Dir** to enter your directory.
2. Use **Next>** or **<Prev** to scroll through your directory.
3. When the name of the person you want to call appears on the second line of the screen, press the softkey below that name.

Locking the Directory and Call Log:

1. Press **Menu**.
2. Press the **Softkey** below Option.
3. Press the **Softkey** below Lock.
4. Press the **Softkey** below Select-Item.
5. Press the **Softkey** below Directory or Call Log.
6. Press the **Softkey** below Yes.
7. Enter or create your 3-digit password.
8. Press the **Softkey** below Done.

#### **Drop** (pg. 11)

Disconnects you from a call without requiring you to hang up the handset or press the switchhook. Can also be used with the conference feature to disconnect the last party added. Use whenever you are using the handset and want to continue using it for another action after ending a call.

To drop a call:

1. Press **Drop**.

#### **Exit** (pg. 18)

Returns the voice terminal display to normal call-handling mode.

To exit a display feature:

1. Press **Exit** at any time.

#### **Message Retrieval** (See your System Manager)

Your message light goes on to let you know that a caller has left a message. Follow your System's message retrieval procedures to get your message, or see "Your Voice Mail System" section.

#### **Number of Names (on a Directory Page)** (pg. 62)

Allows you to view either four names or three names + **Quit** on the second line of an individual directory page. If you can choose to have four names on the directory screen at one time, you can leave the directory or cancel calling a name in your directory only by pressing **Exit** (rather than using **Quit**).

To set the number of names (3 or 4) on an individual directory page:

1. Press **Menu**.
2. Press the softkey below **Option**.

3. Press the **Next>** button twice.
4. Press the softkey below **Names**.
5. Press the softkey below **3** or **4**, depending upon your choice.
6. Press the softkey below **Done** when you are finished.

#### **Personalized Ring** (pg. 56)

Allows you to select your own personalized ringing pattern from among eight available patterns. Use to distinguish your voice terminal's ring from that of other nearby voice terminals.

To select a personalized ring for your voice terminal:

1. Press **Menu**.
2. Press the softkey below **Option**.
3. Press **Next>**.
4. Press the softkey below **Ring**.  
Press the softkey below the **+** or **-** to scroll through the ring patterns.
5. When you hear the ring pattern you want to use, press **Done** to exit.

#### **Screen Timing** (pg. 9)

Rate at which the display message is shown allows you to set the length of time the display message remains on the screen. There are three rates: slow, medium, and fast.

To set the screen timing:

1. Press **Menu**.
2. Press **Option**.
3. Press **Next>**.
4. Press the softkey under the desired screen timing.

#### **Self-Test** (pg. 52)

Performs a diagnostic test of your voice terminal, including the lights, ringer, dial pad keys, and display.

To perform a self test:

1. With the handset on the hook, press **Menu**.
2. Press **Next>**.
3. Press the softkey below **Test**.
4. Press the softkey below **Begin** to start.
5. Press any button on the voice terminal to perform a test of that button.
6. Pick up handset to test any key on the dial pad.
7. Press **Exit** to exit the self-test.

**NOTE:** When you perform a self-test of the voice terminal, it clears the contents of the call log and the last number dialed from redial, and returns the volume control to the default setting.

### *Set Speakerphone* (pg. 23)

When you set the built-in speakerphone, it performs a test of the surrounding environment and adjusts itself for optimal performance.

To set the speakerphone:

1. Press **Menu**.
2. Press the softkey below **Option**.
3. Press the softkey below **Spkr**.

### *Speakerphone* (pg. 14)

The speakerphone feature allows you to place and answer calls or access other voice features without lifting the handset. (Press **Speaker**.) You may use the softkeys on the voice terminal to set or reset the speakerphone. When you set the built in speakerphone, it performs a test of the surrounding environment and adjusts itself for optimal performance. Use the built-in speakerphone anytime you prefer hands-free communications, both speaking and listening, or for group conference situations.

To place or answer a call without lifting handset:

1. Press **Speaker**.

To change from Speaker to Handset:

1. Pickup **Handset**.

To change from Handset to Speaker:

1. Press **Speaker**.
2. Hang up **Handset**.

To prevent other party from hearing you:

1. Press **Mute**.

### *Tones* (pg. 60)

A confirmation tone (sequential low and high tones) is provided to let you know a selection has been accepted: an error tone (one beep) alerts you that you made a mistake in your softkey entries. You may choose to turn these softkey information tones on or off.

To turn on or off softkey information tones:

1. Press **Menu**.
2. Press the softkey below **Option**.
3. Press **Next>** twice.
4. Press the softkey below **Tones**.
5. Press the softkey below **On** or **Off** to make your choice.
6. Press **Done** when you are finished.
